MYSTERY LONG LUNCH

Why not try one....

Why not take your staff, clients or potential clients on one of AERgO's Mystery Long Lunches for your next function. Your guests will be flown to a mystery location where you will enjoy an all inclusive lunch and drinks package at a fantastic 'mystery' location

Boarding passes will be designed specifically for your organization and the aircraft themed anyway you like. Catering for all budgets, AERgO can make this an event you and your clients will never forget.

Please contact AERgO Corporate Events for more details on 07 3860-6500.

Charter Benefits

- Arriving and departing passengers will transit through private lounge areas (where available) and avoid congestion at airport terminals.
- A flexible schedule will mean no risk of missing the flight and will allow company staff and executives to vary the itinerary to suit their needs.
- A charter aircraft can operate to the nearest available airport/airstrip to your final destination therefore eliminating unnecessary transfer costs for buses, hire cars, accommodation and meals etc.

For a competitive quotation or to discuss your charter requirements please contact AERgO International on the numbers below.
